

Not so secret women's business

SITEMED founder Nicole Nott has been named the winner of the Behind Closed Doors 2013 Entrepreneurs Scholarship program.

Ms Nott, a qualified occupational therapist, established Sitemed in 2009, which won Telstra's Australian Best Start-Up Business Award in 2012.

The Adelaide-based outsourcing emergency services company has won significant local and national contracts.

A board member of Paramedics Australasia and SA Hockey, Ms Nott now has the opportunity to use the year-long scholarship, valued at \$5000, to tap into the experience of top businesswomen and build extensive networks.

BCD is a national businesswomen's mentoring program that aims to further professional development of its members in "an intimate and confidential environment".

The scholarship program helps to share experiences and knowledge and build links.

One of the mentors in the program is Kylie Bishop, the 2012 Telstra South Australian Business Woman of the Year.

BCD founder Donny Walford said Ms Nott had led a field of strong applicants.

REWARD: Sitemed founder and scholarship winner Nicole Nott.
